South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) by way of a request filed by TSI Telecommunication Network Services, Inc. (“TSI” or the “Company”) to amend its Certificate of Public Convenience and Necessity by a change in the Company’s name. By its request, TSI advises the Commission that TSI seeks approval of a change of the Company’s name from TSI Telecommunication Network Services, Inc. to Syniverse Networks, Inc.

A review of the docket file reveals that TSI was granted authority to provide resold private line services within the State of South Carolina by Commission Order No. 2004-39, issued January 30, 2004.

Upon receipt of TSI’s request, the Commission’s Executive Director instructed TSI to publish a Notice of Filing in newspapers of general circulation in TSI’s service area. TSI filed affidavits showing that it had complied with the instructions of the Commission's Executive Director. No Protests or Petitions to Intervene were filed in this matter.

TSI, by its request, seeks Commission approval to change the Company's name from TSI Telecommunication Network Services, Inc. to Syniverse Networks, Inc. In support of its request, TSI attaches a copy of the Company's Application for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina which was filed with the South Carolina Secretary of State March 4, 2004, and which reflects the herein requested name change. TSI additionally attaches the Company's revised tariff and revised "Authorized Utility Representative Information" form which reflect the Company's name change to Syniverse Networks, Inc.

At its regularly scheduled meeting on July 20, 2004, the Commission reviewed the case before it and after due consideration, the Commission concludes that the Request of TSI for approval of a change of name should be granted. Accordingly, the Certificate of Public Convenience and Necessity granted to TSI should be amended to reflect the Company's new name.

The Commission therefore grants the following name change:

FROM: TSI Telecommunication Network Services, Inc.

TO: Syniverse Networks, Inc.

The Commission's records will hereby reflect the change of the name of TSI.

IT IS THEREFORE ORDERED THAT:

1. TSI Telecommunication Network Services, Inc.'s request for approval of the change of the Company's name from TSI Telecommunication Network Services, Inc. to Syniverse Networks, Inc. is approved.

2. This Order shall remain in full force and effect until further Order of the Commission.
